

Woodthorpe Primary School

Headteacher: Mr James McGann
Chair of Governors: Mrs Amanda Atkins

Our school is a happy, exciting and caring community in which each child thrives.

Friday 21st July 2022

As always – thank you for your continued support throughout the past year, your kind words and support have been very much appreciated by everyone within school. Looking through the comments that parents have made on school reports is always a pleasure and reading that 100% of parents who answered the survey would recommend us to other parents is so positive.

When we return in September we will have a few new members of staff – we will also have two teachers with new names! Miss Taylor and Miss Burns both get married over the summer. Miss Taylor will return as Mrs Grason-Taylor and Miss Burns as Mrs Everson.

We hope that everyone has a lovely summer holiday and we look forward to seeing everyone back for the new year on the 7th September.

Attendance

Thank you to parents for supporting your child's attendance and punctuality during another difficult school year.

At Woodthorpe we are very keen to ensure that all children attend school regularly and we expect children's attendance to be 95% or above wherever possible. As you are aware, it is important for your child's friendships and academic progress that they are in school and don't miss chunks of learning time.

From September, we will be monitoring attendance and punctuality weekly. Emails will be sent out to parent's informing you if your child drops into the persistent absentee category (less than 90% attendance) and support will be provided to families if needed to make improvements.

Holidays during term time will be unauthorised and fines will be issued by the Local Authority.

Dental or any other appointments should be made ideally before or after school where possible. Evidence of the appointment may be asked for.

From September, now we are hopefully past Covid times, we can work together to make Woodthorpe's attendance the best it can be!

Woodthorpe Primary School Summer Fair – 14th July 2022

We just wanted to say an enormous thank you for your support with this year's summer fair. We were thrilled to see everybody and felt so proud of the community spirit displayed by all.

With your help, through sales and donations, we managed to raise over £1000! This money will go directly into our school funds to be able to purchase more books and guided reading texts for our children.

Thank you so much!

Nursery

We graduated from Ducklings Nursery...

We are having a wonderful week celebrating our time in Nursery. It has been a very special year, filled with friendships, laughter, learning and fun! We have grown and developed so much and our teachers are filled with pride and love for us and everything we have achieved this year. As part of our celebrations, we had a yummy picnic with jam sandwiches and homemade rocky road! Later in the week, we are going to make our own pizzas (requested by Arthur), eat cake (requested by Lyla) and have a big party (requested by everyone!) Today, the children who are moving up to Reception each had a turn wearing the special graduation cap and we took a lovely photo for our grown-ups at home to keep and treasure forever.

Shout outs

What an amazing year we have had together boys and girls! Thank you so much to each and every one of you for making our year so magical. We would like to wish you all a very beautiful summer and congratulate you on such a super start at Woodthorpe Primary School!

Reception

Our trip to Askham Bryan Wildlife and Conservation Park

Last week, Reception enjoyed a fun packed day at Askham Bryan Wildlife and Conservation Park. Reception were very excited for their first ever school trip and had such a great time! Our morning started with an exciting journey on a double decker bus. When arriving at the park, we enjoyed so many different activities. We all took part in a workshop all about habitats and adaptations. During the workshop we explored many habitats and thought about the features of each. The staff at Askham Bryan were blown away with our knowledge! We explored the main centre including the reptile room where we saw many creatures and we went on a big adventure around the park. We saw so many different animals from meerkats to armadillos!

Music

In music, we have been learning all about Makaton signs, how these can be used to help communicate meaning as well as practising adding actions to our own songs. We have also learnt some key music terminology: 'tempo' and 'pitch'. Reception have loved listening to music with different tempos and exploring this by pretending to be different animals, some that move quickly and others that move slowly. We have also enjoyed performing a song using scarves to demonstrate how the pitch of music changes. Reception were amazing at waving our scarves high in the air when the pitch went up and moving our scarves down to the ground when the pitch changed to a lower sound. We have loved creating our very own performances on our stage outside too!

Shout outs - Reception

A huge shout out to all of Reception!

We have had such a wonderful year where we have played, had fun and learnt so much. It has been fantastic to watch you all blossom in confidence, learn new things and make lots of friends.

What a brilliant first year of school. We are so proud of each and every one of you - well done Reception!

Year 1

Year 1 visit to Burnby Hall

As our plants unit in science came to an end, we visited Burnby Hall in Pocklington to consolidate our learning. When we arrived, we first enjoyed some ice lollies to help us cool down! We then began our magical journey through the gardens, ending with the reveal of the beautiful lake. We were so excited to discover that Burnby hall has one of the largest collections of water lilies in Europe! We spent some time sketching the key parts of a water lily before moving on to feeding the fish. The fish were extremely hungry and almost kept jumping out of the water! We then discovered the 'stumpery' which is a garden constructed using upturned roots of large trees. We enjoyed spotting the different faces carved into the roots! The day came to an end with a play in the play park in the sunshine!

Year 1 - Art - Drawing lines

This week, we have become artists as we learnt how to draw using a range of different types of lines! We looked at the work of Bridget Riley who uses different coloured lines to create optical illusions. We were inspired to create our own Riley inspired piece by using string, chalk and black card. When we put our creations together to create our very own piece of collaborative art. We think the finished design looked really impressive! We then incorporated our new line work techniques as we delved into the world of observational drawing. We selected different items to draw using a range of different techniques such as cross hatching, to add shading. We found it really tricky trying to keep our pencil on the paper!

Shout outs Kingfisher

I just wanted to say a huge thank you to the whole of Kingfishers for being such a fantastic class! I have thoroughly enjoyed the teaching year and all the memories we have created. You all have such a special place in my heart, keep reaching for the stars because you are all amazing!

Shout outs Hummingbird

Hummingbirds, we have had the best year ever! Thank you for all being amazing. You have all worked so hard and I am so proud of every single one of you! I hope you all have a wonderful Summer and make lots of wonderful memories!

Year 2

Amazing Art!

Year 2 have loved completing different art activities this last week where they have been exploring how bodies and faces are portrayed in art. They have looked at a number of different artists, used their bodies to form shapes, created collages of faces and drawn portraits in the style of Julian Opie (a contemporary British artist).

The children loved taking inspiration from decorated skulls in different cultures, tracing an image of a skull and then decorating it using pastels or chalks and creating a pattern of their choice.

Horrible Histories- Harald Hardrada

We have loved learning about The Last Great Viking- Harald Hardrada this week. We now know so many facts: what kind of ruler he was, how he travelled to England and how he died in the Battle of Stamford Bridge. Our favourite fact was that Hardrada means 'hard ruler'.

Afternoon Tea

As a reward for winning the school jubilee dance competition Year 2 enjoyed their celebration of a delicious afternoon tea. The children loved having time to talk to their friends whilst enjoying some fruit scones with jam and cream, cakes and biscuits. It was the perfect end to a fabulous year.

Shout outs Finch

It is impossible to think of just one person this week, so this is a BIG shout out to you ALL!
Every single one of you is truly AMAZING and I've had such a fantastic year with you all. You're all unique and have such wonderful personalities that you've made our classroom a joy to be in and a happy place too! I hope you all have a wonderful summer and enjoy a well-deserved rest with your families.

Shout outs Robin

My shout out this week goes to every single member of Robin class who have had the most incredible year!
Every single one of you have made me so proud and you have all put a huge smile on my face with how hard you work and your fantastic personalities which have all grown and shone throughout the year. Thank you for making our classroom a loving, special and magical place to be this year. Have a super summer!

Year 3

Rainbows of hope

To finish our PSHE topic, we looked at how we have changed over the year and what we are looking forward to in the future. We painted our own rainbows and wrote things that we are excited and worried about for the future.

Maths - 3D shapes

Within maths this week we have been focusing on the topic 'shape'. We challenged ourselves by learning all about the properties of 3D shapes and actually making them ourselves using lollipop sticks - ensuring they all have the correct amount of faces, vertices and edges!

DT - What's Cookin'?

Year 3 have had so much fun this week learning about the seasonable fruit and vegetables and how the different coloured fruit and veg all have different health benefits. Once we were filled with lots of knowledge and facts, we had a go at designing and cooking our very own healthy skewers and tarts. They were absolutely deeeeeelicious!

Shout outs - Woodpeckers

This is a shout out to all of Woodpecker class. This is our final week together as a Woodpecker class and I will truly miss each and every one of your faces next year! You have worked incredibly hard and I have been so proud of all of your progress! I hope you all have such a wonderful summer! Good luck everybody for Year 4!

Shout outs - Magpies

A HUGE shout out to all the Magpie class this year. You have all worked incredibly hard and I have loved seeing all of your happy faces every day. I have no doubt you will all thrive in Year 4 and make your new teachers proud. Have a great summer.

Year 4

Horrible Histories Day

In Year 4 this week, we held a Horrible Histories day! We were given the task of researching Margaret Clitherow who was part of our very gruesome historical past. By writing a newspaper report to summarise the day that she was brutally murdered, we have learnt so much about her life. We have also created some fantastic artwork to accompany our pieces of writing.

Samba Music

This week, we have been learning about Samba music. We started by clapping different beats and we then moved on to using different musical instruments to play rhythms off the beat. We worked in groups to learn a rhythm and then worked on playing them all together at the same time.

Baking for the School Fair

Year 4 had a fantastic time this week baking for the school fair. We had a professional chef come in and teach us how to bake and decorate our cakes. We learnt how to use piping bags to create neat icing on the top. We then got to create our own packaging for us to take home a bun. Impressively, every single one of the buns sold at the fair!

Shout outs - Owl

A great big shout out to the whole of Owl class! You have all blown me away this year with your positive attitudes, determination and willingness to succeed. I am so incredibly proud of the fantastic and mature individuals that you have all blossomed into throughout the year and the incredible progress that each and every single one of you has made. I have adored teaching you and I cannot wait to see how your journey progresses into year 5! Well done, Owls, thank you for being such superstars!

Shout outs - Osprey

A huge well done to the whole of Osprey Class! You have worked incredibly hard over the year and we are so proud of you and the progress you have made. We hope you all have a fantastic summer and know that you will all be amazing in year 5. Well done Ospreys!

Year 5

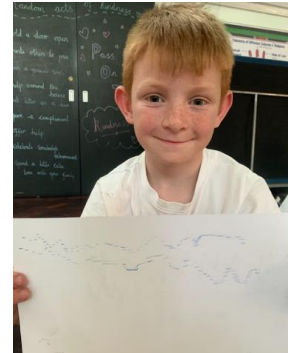

Highwayman artwork

Year 5 have had a gruesome yet fabulous time learning about the infamous highwayman! In English, we have written some incredible narrative poems backed up by our historical and geographical research. The cherry on top of this marvellous experience was creating some frightful artwork that shows off everything we have learned about York's notorious villain.

Holi music celebrations

Fa la la la la la. Year 5 have been tuning our vocal chords and grabbing our percussion instruments as we have explored how we can picture music in colour and how music influences our emotions. We also created some fabulous graphic scores for popular pieces of music.

Forest fun!

What a week! Year 5 have been cooling down in the forest as the heatwave struck. We had such fun using all of our forest school learning to build, climb and explore in our outdoor classroom.

Year 5 – shout out

Miss Scaife and Miss Dent would like to thank each and every one in Year 5 for making our final year the best year yet! Our classrooms have been filled with love, laughter and fun and we will miss each and every one of you as you continue on your Woodthorpe journey.

We are so proud of all the hard work, resilience and determination you have showcased over this year and we know the memories we have created will last a lifetime. We wish you all the best of luck and once again thank you for an incredible year.

Thank you Kites and Falcons- you rock!

Year 6

Horrible Histories Art

In history, we have thoroughly enjoyed learning about the gruesome past of Micklegate Bar and Richard Duke of York. Inspired by Kathe Kollwitz (an artist we have been studying), we created a piece of art representing the tragic fate of the Duke whose head was displayed on the Bar to deter traitors.

Water Fight

To celebrate the end of our time at Woodthorpe, we had a wonderful water fight. There were lots of smiles, laughter and games. The children loved getting soaked; however, they had more fun wetting their teachers!

Queen's Baton Relay

As part of the Commonwealth Games build up, we were invited to join in with the Queen's Baton Relay. We had an amazing day out at York St John playing fields and were so proud of all of the children who went - they participated well with all of the sporting activities and were praised for their sportsmanship by many of the external coaches. It was brilliant to see Charlie and Tahlia joining the baton relay - they even made their debut on the radio!

Shout outs - Eagles

Charlie W - You have had an amazing final year Charlie! Thank you for all of your hard work and enthusiasm. It was especially lovely to see how excited you were last week during the Queen's Baton Relay event we went to. You should be so proud of your radio appearance!

Shout outs - Hawk

William - You have made so much progress this year: I couldn't be prouder of you! It was a great pleasure to see you flourish and gain confidence throughout the year. I am also really impressed by your attitude towards secondary school and I know that you will love it!

Shout outs - Harrier

Tahlia - Your Woodthorpe journey has been outstanding! I have been extremely proud of your accomplishments, especially within your reading. I am so pleased that you have reached 3 million words read! Huge congratulations - I know you've worked very hard!

Diary Dates

w/c 18 th July	Year 6 Leaver's Week
22 nd July	Year 6 leaver's assembly – 2pm KS2 hall
22 nd July	Break up from school
5 th September	Teacher training day
6 th September	Teacher training day
7 th September	Children return to school

PE Kit expectations

Sport is a core value at Woodthorpe and our PE lessons are a really important part of our curriculum. Please make sure your child is ready to join in, by ensuring they have the correct PE kit with them. Our PE kit consists of the following items:

- Plain, white t-shirt
- Black shorts or leggings
- Trainers or plimsolls
- Dark coloured jumper and jogging bottoms

For safety reasons, hair must be tied back and all jewellery removed. Your child will be asked to wear spare kit if theirs isn't in line with our school expectations.

Pictured are examples of our kits for warmer and cooler weather throughout the year.

If you have any questions about PE kit, please do not hesitate to speak to a member of our school office.

Woodthorpe wrap-around care

We are delighted to be able to offer full wraparound support for our families. This starts from 7.50am and continues until 5:45pm daily. Our offer includes care for all of our children, from nursery to year 6. *Nursery pupils must book wraparound care sessions through the nursery as, due to the childcare funding, they receive, the charges are different.*

Breakfast Club: (7.50-8.50am) **£4/session £3/siblings.** Children have a wide range of breakfasts and also have the chance to play games with their friends or take part in a morning physical activity to really help wake them up.

After School Club (3.15-5.45pm) **£8/session £7/sibling.** At after school club, children start the session by having a snack and completing a 'circle' activity. From this, pupils then have the option to complete activities with their friends, take part in physical activities or relax with a book or film.

If you are interested in our wrap-around care options, please pop into the office and ask for our wraparound care administrator, Caroline Young.

Childminders

Within our local area there is also a number of Ofsted registered childminders, a full list of these are available via the YorOK website: <http://www.yor-ok.org.uk/families/Childcare/childcare.htm>

The school also holds an up-to-date list of local childminders who are able to offer 15 and 30 hours care, please contact the school directly for this information.

Support Via the Pupil Premium

Given the difficult times and changes to people's circumstances. If you feel that you might be eligible to claim 'Pupil Premium' for your child, we will be able to support you with items such as school uniform, breakfast club and daily school meals etc... Please email our school office (admin@woodthorpe.southbank.academy) or call in person to discuss 01904 806464. **You will need to currently be in receipt of one of the following:**

- Universal Credit, (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Child Tax Credit, provided you are also not entitled to Working Tax Credit and have an annual household gross income that does not exceed £16,190 (as assessed by HMRC)

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit

A run-on of Working Tax Credit – paid for 4 weeks after you stop qualifying for Working Tax Credit

Digital Parenting

As a school, we are always keen to promote online safety and would like to share the following website – where you can access the latest copy of the Digital Parenting magazine and many other additional resources regarding internet safety:

<https://www.vodafone.co.uk/mobile/digital-parenting>

For further information and support, please do not hesitate to contact our school office.

Community notices

Message for parents of children in Years 4 & 5:

From September, York High School are running after school **recreational football** sessions at Energise, in conjunction with York City FC Foundation, for any students who may be considering attending York High School who are **currently in Years 4 or 5**. Registration is open now; places are limited and subject to availability.

If any children are interested, parents/carers can complete the registration form at the following web address:

Current Year 5, going into Year 6: <https://forms.gle/j98CnoDPrY8y65Aa7>

Current Year 4, going into Year 5: <https://forms.gle/ejdMYRYL88xpLSTF9>

Alternatively parents/carers can email reception@yorkhigh.southbank.academy with the subject "Year 5 / 6 Football", or call us, or visit our reception.

Kind regards,
York High School

York High School

Resilience ~ Aspiration ~ Success

Monday 27th June 2022

York High Summer School 2022

Dear Parent/Guardian,

Following the success of last year's summer school, York High School is delighted to host another week of exciting experiences for our soon to be Year 7 pupils this summer.

We would like to invite your child to spend one week at their new secondary school participating in a range of enrichment activities and educational trips. Underpinned by our three curriculum aims of Resilience, Aspiration and Success, we hope pupils will take away the following from our week together:

Resilience - Pupils will feel confident and determined about the step up to secondary school

Aspiration -Pupils will demonstrate an enquiring mind and love of learning across a range of subjects

Success - Pupils will develop key academic skills that are crucial for secondary school success

The summer school will run from Monday 1st August to Friday 5th August.

Pupils would be welcomed from 8.30am until 3pm each day.

How might this benefit my child?

Pupils who attend the YHS Summer School will be able to:

- experience what their new school will be like
- familiarise themselves with where things are and meet some of their new teachers
- spend time socialising with their friends, and hopefully make some new ones along the way!
- try new experiences - including but not limited to: bake offs, sports, treasure hunts, creative writing workshops and a trip to the seaside
- build on their learning, feeling better prepared for learning in Year 7

How can I register interest?

By following the link below to a Google Submission Form.

Fill in the relevant information about your child and their requirements followed by 'I would like to request a space' or 'I would like some more information' for further info.

Link: https://docs.google.com/forms/d/13yYSTRz_Y0J42G_puAs-yWk1rCnnZ5xEtilDt1HWAPw

There are only a limited number of spaces for the Summer School programme so please return the Google Form as soon as possible and by **9am on Monday 11th July** at the latest or contact Miss Bargewell directly to register interest.

Funding

Whilst the government is no longer offering funding for Year 6 summer schools this year, we felt strongly that last year had a positive impact on our current Year 7 pupils. This year we will be funding the summer school directly and we therefore ask that pupils bring a packed lunch each day and make a small contribution of £20. This will go towards the cost of excursions and activities throughout the week. Pupils eligible for a free school meal will be provided with a packed lunch.

If you would like any further information regarding the Summer School programme or have any questions, please do not hesitate to contact me.

Yours sincerely,

Miss A Bargewell

a.bargewell@yorkhigh.southbank.academy

YORKCITYKNIGHTS.COM/FUTUREKNIGHTS

SUMMER FOOTBALL FUN WEEK

AT ENERGISE LEISURE CENTRE(YORK HIGH SCHOOL)

CORNLANDS ROAD, ACOMB, YORK, YO24 3DX

MONDAY 25TH – FRIDAY 29TH JULY 2022

10.00 a.m. - 3.00 p.m. (FOR BOYS AND GIRLS AGES 4 - 13)

Dear Parents,

We are pleased to inform you that following the outstanding success of previous courses and the weekly coaching sessions, we are organising the **2022 Summer Football Fun Week**.

The children will be coached by **CRB POLICE CHECKED** and **F.A. QUALIFIED COACHES** who are used to working with and bringing the best out in children. The coaches will develop self-confidence and self esteem through encouragement and positive reinforcements. **FOOTBALL IS NOT JUST FOR THE STAR PLAYERS!**

The course is tightly structured with the players fully supervised at all times. All children are catered for from the absolute beginner to the more experienced players. Players are grouped together according to age, ability and experience. **We have fantastic facilities including the outdoor all-weather pitches.**

The course is for 5 days from 10.00am – 3.00pm with lunch from 12.15 – 1.00pm where the children can eat a packed lunch bought from home. The club is fully supervised so children may be left in our care, however parents are welcome to stay and watch if they wish to. On Friday at 2.30pm there is a presentation when parents and friends are most encouraged to come and see the players receive their awards.

The cost of the course is **£80**(or £20 per day if your child is attending less than 5 days). **We also offer HALF-PRICE DISCOUNT(£40) for the second and subsequent children in the same family**, which covers all coaching, referees, trophies, certificates and many other awards presented. **ALL CHILDREN ARE GUARANTEED TO RECEIVE AT LEAST ONE TROPHY AND CERTIFICATE.**

Steven Nugent(Course Co-ordinator)

TO BOOK A PLACE PLEASE TEXT 'YORK SUMMER'

+ CHILD'S NAME + AGE to 07846 770 250

(YOU WILL RECEIVE CONFIRMATION BY TEXT THEN REGISTRATION AND PAYMENT IS MADE ON THE FIRST MORNING OF THE COURSE)

**MINI
ATHLETICS**

**SUPERSTAR
HOLIDAY CAMP**

The Mini Athletics Superstar Holiday Camp

Monday 15th August to Friday 19th August

Manor Church of England Academy

8.30am -12.30pm

**Open to children in Reception, Year 1, Year 2 and Year 3
£15 per child per day**

FREE PLACES for children who are in receipt of benefits related free school meals through the Government's Holiday Activities and Food (HAF) programme.

Email rwilson@miniathletics.com to book your free place

All children will receive a healthy breakfast and packed lunch.

To book your place go to www.miniathletics.com/holiday-camps

THE SUPERSTAR HOLIDAY CAMP

www.miniathletics.com

Summer holidays at Foxwood community Hub Information Sheet.

What is being offered?

Foxwood Community Hub is delighted to be able to announce that we will have a range of free activities, craft items and children's "grab a bag" pack lunches throughout the summer holidays.

We can offer this provision through the securing of three sources of funding. The first of which is the Holiday Activities Fund. HAF is funded by the City of York Council.

The second piece of funding is a ward grant given by the Westfield Ward.

The third source of funding is a JRHT grant.

Who can access what is on offer?

All local children whether they are eligible for free school meals or not. Ideally what we are offering is aimed at children 5 and above just in terms of the suitability of the activities and the craft kits, however, our "grab a bag" lunches are suitable for children under 5 and we will have some suitable activities such as colouring and simple craft activities available for younger children.

*Please note we may discreetly ask you if your children receive free school meals or not, this is just so we can have a rough idea of who accessed our provision, you will not be asked for any identifiable information about you or your children.

How do I book my place?

You can find the breakdown of what is being offered each Friday on our Summer holidays at Foxwood community Hub poster.

There is no need to pre-book for any of the tutor-led activities, as places on these activities will be offered on a first come first serve basis. If our tutor-led activities have allocated all their places when you arrive your child will still be offered a free "grab a bag" packed lunch and a free craft kit/ activity that they will be able to take away with them. We will also have some other activities such as colouring and simple craft activities for children who are not part of the tutor-led activities to take part in.

How can I get more information ?

If you have any questions relating to what we are offering this summer holiday please feel free to contact our hub coordinator Kerry on 07727041464 or email her at kerry.briggs86@outlook.com

What else will be available at Foxwood Community Hub?

We will have a range of resources about healthy eating and healthy lifestyle choices available in the information corner that we will have out each Friday. This corner also has information about various organisations that can help with benefits and other financial-related topics, also various support services available to residents in the area.

We also have a range of external services providing outreach work from our Friday community hub.

You can see an overview of the organisations that will be present over the summer holidays in our Facebook group.

Additional information

We recommend that children come to the activities in old clothes or ones that you wouldn't mind if they got paint or such on them.

We ask that parents stay on site whilst their children are taking part in any activities held over the summer. Our community lunch/cafe is on during these times so you will be able to relax with light refreshments or some lunch during this time.

SUMMER HOLIDAYS AT FOXWOOD COMMUNITY HUB

WHAT

Foxwood Community Hub is delighted to be able to announce that we will have a range of free activities, craft items and children's "grab a bag" pack lunches throughout the summer holidays.

We are able to offer this provision through the securing of three sources of funding. The first of which is the Holiday Activities Fund. HAF is funded by the City of York Council. The second piece of funding is a ward grant given by the Westfield Ward. The third source of funding is a JRHT grant that we secured earlier in the year to help us provide vital support to local families over the summer holidays.

WHO IS THIS FOR?

We can offer summer holiday provision to all local children whether they are eligible for free school meals or not. Ideally what we are offering is aimed at children 5 and above just in terms of the suitability of the activities and the craft kits, however our "grab a bag" lunches are suitable for children under 5 and we will have some suitable activities such as colouring and simple craft activities available for younger children.
