

Woodthorpe Primary School

Executive Headteacher: James McGann

Head of School: Charlotte Grason-Taylor

Chair of Governors: Sheriden Hutchinson-Jones

Our school is a happy, exciting and caring community in which each child thrives.

Friday 3rd May 2024

After this week's pleasant weather, it finally feels like we have entered the summer term! Seeing the children enjoy the school field and spend time outside in the warmer weather is always a personal highlight when it comes to our school year.

I was particularly proud of our Year Sixes, who spent Polling Day revising within school – their attitudes were amazing and each child displayed such a sense of determination and perseverance. As SATs week approaches, we are all sure that they will do their absolute best and they each deserve every success.

From Tuesday 7th May, we are delighted to be able to offer our families the opportunity to donate to the local food bank via Woodthorpe Primary School. Families within our community continue to be affected by the cost of living crisis and so, if anybody has any of the following items to donate, we would so appreciate your help:

ITEMS NEEDED

- | | | |
|-------------------|------------------------|--------------------|
| ▶ Cereal | ▶ Pasta sauce | ▶ Tinned fruit |
| ▶ Soup | ▶ Beans/lentils/pulses | ▶ Biscuits |
| ▶ Pasta | ▶ Tinned meat | ▶ UHT milk |
| ▶ Rice | ▶ Tinned vegetables | ▶ Toiletries |
| ▶ Tinned tomatoes | ▶ Tea/coffee | ▶ Hygiene products |

If you are able to help, please hand any donations to the main school office and we will ensure that they get to the team at St James the Deacon for wider distribution. Thank you so much for your support.

Finally, a reminder to our families that school will be closed on Bank Holiday Monday (6th May) and we will look forward to welcoming everybody back on Tuesday 7th May.

Class attendance this fortnight!

Cygnets	93.33%	Goslings	93.28%
Hummingbirds	94.63%	Kingfishers	95.19%
Finch	96.15%	Robins	94.73%
Magpie	92.39%	Woodpeckers	94.78%
Owl	★ 96.49% ★	Osprey	96.33%
Kite	94.56%	Falcon	93.59%
Hawk	92.69%	Eagle	93.67%
School average for this year so far		94.80%	

Thank you to all those parents who managed to get their child to school on time every day!

As a reminder, if your child is absent from school, please call 01904 806464, followed by option 1 to leave a voice mail, report the absence on parent mail or email

admin@woodthorpe.southbank.academy

100% attendance parent winners

Last week's winner was the parent of a child in Year 2
This week's winner was the parent of a child in Year 5
Congratulations on winning a £10 Amazon voucher!

SEN Natter and Nibble

We would love to invite parent/carers of SEN children to a 'natter and nibble' session on **Friday 17th May at 2:15pm**. During the session, you will have the chance to ask any questions and we will have some time to talk about how we can support your child during their transition to a new year group. I look forward to seeing you there, Mrs Elsworth.

Additionally, If there are any parents who would like to discuss transition, however do not have a child with SEN, please do not hesitate to get in touch via the main school office. We understand that moving to a new year group can sometimes be an unsettling time, so please let us know if we can support in any way.

Random act of kindness

We are delighted to share another two wonderful acts of kindness this week in our school community!

George in Year 3 has been beyond kind recently! George completed a night's stay in a tent in the back garden as part of the Tommys Big Sleep Out challenge. This is a charity for our most vulnerable veterans. Despite there being a few showers in the night, George's grit and determination got him through the challenge! George's target was £100 but he raised a fantastic £215! We are so incredibly proud George, well done!

Our next random act of kindness goes to Scarlett in Year 6. We have recently found out from a member of the school community just how kind she is! When walking home one afternoon from school, a fellow classmate, Josh, unfortunately took a tumble. Scarlett, who saw this didn't hesitate to check in with Josh. She kindly made sure he was OK and helped look after him. Scarlett, we are so proud of your thoughtfulness and generosity towards after child at Woodthorpe!

George and Scarlett, two more amazing children at Woodthorpe really highlighting our Woodthorpe Character 'determined' and 'generous'.

Special achievement shout out!

We would like to give a special shout out to Lily in this week's newsletter. We were blown away to hear of Lily's recent achievements in the local community.

Recently, Lily took part in the York St George's Day service with her Brownies. Lily was asked by her Brownie leader if she would read a few lines as part of the St George's Day service in York Minster.

Lily stood up in front of all the brownies, guides, cubs, scouts, explorers and dignitaries and read with confidence and clarity!

Lily, you have truly captured our Woodthorpe Character! It is an incredible honour to be chosen for this and it is wonderful to hear about your brilliant reading too.

We are enormously proud of Lily's achievement!

Nursery

Once upon a time...

In Ducklings this week we have been learning about traditional tales. We love traditional tales in the nursery. From The Gingerbread Man to Jack and the Beanstalk we love them so much! Together we have enjoyed listening to the tales, retelling them in our own words (with fantastic voices for the characters), joined in with repeated refrains, helped the Bears eat their porridge and made new homes for the Three Little Pigs!

Reading for Enjoyment!

Ducklings are thrilled to have joined the whole school reading for enjoyment! In nursery this week, we have loved choosing our first books to take home to enjoy with our families. We are so looking forward to picking lots and lots more books in the future too!

Shout outs - Ducklings

A huge shout out to Georgia this week! Georgia you always have a gigantic smile on your face each session. You are always very kind to your friends and are a wonderful role model to all of the Ducklings! You have been especially kind when welcoming our new Ducklings and showing them all the things we do in Ducklings. Well done Georgia!

Ask us about...

A traditional tale! We can tell you all about our favourites and maybe even tell you some in our own words too!

Reception

Science

Reception have been busy planting lots of different seeds and learning about plants. They have planted radishes, strawberries, potatoes, peas, lettuce and nasturtiums. They have been very excited to see them start growing and are hoping that in a few months they will have some tasty things to eat!

A Visit from Imam Ammar

We were really proud of our reception children when they joined one of their first assemblies to meet Imam Ammar from York Mosque. He spoke to us about Islam and the different beliefs that Muslims have. Every child in reception listened beautifully. Thank you Imam Ammar!

Sock Creations

Reception have loved using the book 'I am NOT an old sock' to learn how to recycle old socks and make them into our very own sock creatures - here are some of our sock bunnies! Any old sock donations would be gratefully received!

Shout outs - Cygnets

Piper - For making super progress with your reading and writing. You have been working really hard, particularly with your writing which is improving every day. Keep up the fantastic work Piper!

Oliver - For being a model pupil in Cygnets class. You are trying so hard at the moment, setting an example with your behaviour and being so kind and helpful. You are also becoming a really keen reader - well done Oliver!

Shout outs - Goslings

Nicholas - For making brilliant progress with your reading. I have been really impressed with how hard you've been working in reading and phonics sessions. Well done Nicholas!

Mario - For making brilliant progress with your writing. You have been really keen to write at home and at school and this has really helped to improve your letter formation and handwriting. What a superstar - well done Mario!

Ask us about...

We have been growing our very own radishes, ask us how they are getting on and what a healthy plant needs to grow!

Year 1

Rowntrees Park School Trip

We had such an amazing day on our school trip to Rowntrees Park this week. The day was full of activities such as mini beast hunting, bookmark making and plant detective games. We loved the fact that we used our science knowledge about plants and living things to help us with these activities.

All Stars Cricket

Year 1 really enjoyed our first cricket session with Joe from All Stars Cricket. We focused on how to hold and use a cricket bat accurately as well as practising our speedy fielding skills. We can't wait for our next session to learn more new skills!

Computing - Taking photographs

This week in computing, Year 1 have been learning all about cameras and how to take and edit an effective photograph. We used an image storyboard to help us plan our very own photo story.

Shout outs - Kingfisher

Stanley - For your incredible behaviour on our school trip! I was so proud of you and all your knowledge that you took outside of the classroom and applied into the outside world!

Shout outs - Hummingbird

Hope - for your amazing kindness and team work you have shown all the way through Year 1 but especially this week. You allowed members of the public to go first on our school trip and all of Hummingbirds enjoy being teamed up with you in lessons.

Ask us about...

This week, we have been learning all about plants and which parts we can eat... Why don't you ask us about it?

Year 2

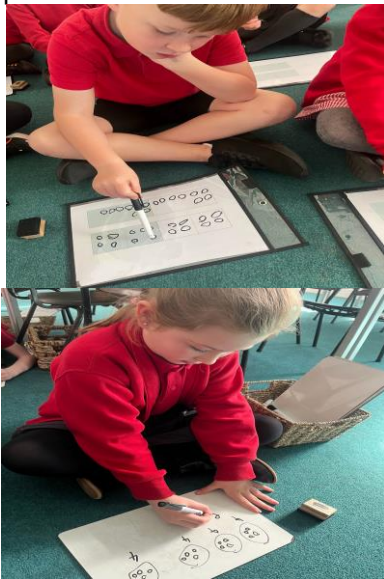

All Stars Cricket

Year 2 really enjoyed our first cricket session with Joe from All Stars Cricket. We focused on batting skills and were able to see how far and how accurate we could hit the ball. Joe also told us about clubs that are happening near us - there is a leaflet attached to the newsletter with more information!

Fantastic Fractions

Year 2 have done some fantastic fraction work this term - finding halves, thirds and quarters and even working out equivalent fractions. Great work Year 2!

Stop Motion Computing

In computing this week, Year 2 have been learning to create their own animations using the programme Stop Motion. We had to take some good quality photos using our Chromebooks, before uploading these into our animation programmes. It was quite a challenge!

Shout outs - Robin

Eva - For your fantastic writing! You are trying so hard with your sentences; writing independently with beautiful handwriting, remembering capital letters and full stops and even including some adjectives and conjunctions. Keep up the hard work!

Rory - For your wonderful letter writing when our felt tips went on strike! You included brilliant suffixes and really thought about how you could improve your sentences. Great work Rory :)

Shout outs - Finch

Emily D- For your wonderful drawing in our Science work this week. You added lots of detail to your drawing and we were proud to share it with the class. Well done Emily.

Lara- For your outstanding writing last week. Lara you included some incredible vocabulary and suffixes and even had some emotional language in there. Keep this up superstar!

Ask us about...

This week we have been learning two religious stories: 'The Crying Camel' and 'The Prophet and the Ants'. We can tell you all about what happened in these two stories.

Year 3

Year 3 - Video Trailers!

We have had an incredible time creating video trailers for the book 'Stone Age Boy'. Within our computing lessons, we have discovered the importance of camera angles when taking photos or videos, learned how to import videos and photos into film editing software and incorporated transitions between images. We particularly enjoyed recording our own voice-over for the trailers! We even experimented with adding different sound effects! We cannot wait to preview our final trailers!

Magpie - Pyramid Planners!

As part of our exciting Egyptian topic, we delved into the world of pyramids! We discovered that the pyramids were built for the pharaoh's final resting place before they moved to the afterlife. We were interested to learn that the Egyptians believed that the stars were the entrance to the afterlife. We had to work in teams to solve a challenging pyramid problem in which we had to think carefully of different solutions to some difficult challenges! How did the Egyptians lift all that heavy limestone...

Shout outs - Magpie

A HUGE well done to one of our Magpie superstars who shared some incredible work they had created at home. They were inspired by both of our recent Geography and History topics and created an amazing factfile on their Chromebook! It was a wonderful moment to share their brilliant work with the rest of the class! It was a very proud moment!

Woodpecker - Celery experiment!

In science, we have been exploring the parts of a plant and how these parts are used to make sure the plant stays healthy. As water is vital for a plant's growth, we learnt about how water is transported from the soil, through the stem through tiny holes, then reaching the leaves and flowers. To build our understanding further, we completed an experiment using a celery stick as the stem! With our coloured water, we saw that over a few days, the water had transported up the stem, just like in plants! We have loved bringing our learning into real life with lots of different experiments.

Shout outs - Woodpecker

Lacie - You have shown amazing confidence and determination in our Dance lessons this term! It is so lovely to see your personality shine in something you really love. Keep being a role model to the rest of the class!

Ask us about...

In history, we have been learning about the Ancient Egyptians. We are learning about how the Ancient Egyptians believed in different gods and goddesses and the afterlife. We've also come to grips with how difficult it was to build the pyramids in Giza! Ask us how and why the Ancient Egyptians mummified people when they died...

Year 4

Osprey and Owl - Jorvik Viking Centre and DIG

Osprey and Owl class had a fantastic day at Jorvik Viking Centre and DIG! At DIG, we became archaeologists and discovered exciting artefacts from 2000 years of York's history. We then learnt more about the Vikings and their bloodthirsty battle tactics in a workshop - we also got to explore their armour and weaponry. At Jorvik Viking Centre, we went on an unforgettable ride, which took us back in time to experience how the Vikings lived.

Osprey - Fitness - Yoga

In Osprey class, we have been really enjoying our fitness sessions. In this lesson, our focus was yoga. To start, we discussed the benefits of yoga and how it can help our bodies. We then calmly and quietly practised some yoga poses to help stretch our muscles and improve our posture.

Owl - History

In History, we have loved learning about the Vikings, we have been exploring the question "Were the Vikings traders, raiders or settlers?" To explore the idea of Vikings being traders, we played a trading game in which groups were different trading posts, bargaining their wares.

Shout outs - Osprey

A massive well done to **Cody** and **Aden** for their incredible times table speed! Due to their perseverance and resilience, they have become confident in their times tables, and can answer each question in under 1 second. Well done and keep up the hard work!

Shout outs - Owl

James - for displaying a fantastic, hard-working attitude all week. You have been a great role model for the rest of Owls!
Raheel - you have shown total dedication and perseverance when it comes to learning your times tables and as a result your times table test scores have gone from 9/25 then 18/25 to an incredible 25/25!

Ask us about...

In science, we have been learning about classification and changing habitats. We have been exploring seasons and how this impacts animals and plants. We have also been learning about human impact on habitats and the natural changes that are happening around us. Ask us about it!

In History, we have been learning about the Vikings and if they were raiders, traders or settlers. We have been exploring what Viking life was like in Britain. Ask us about it!

Year 5

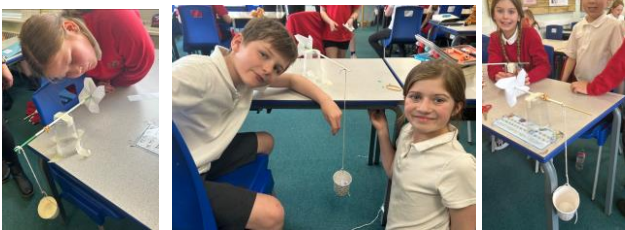

York Fire Services Visit

We were so pleased to have York Fire Service come to visit Year 5 to teach us all about keeping safe in our homes, how to avoid fires and what to do in the event of a fire. We were so excited to see the fire engine and learn about the equipment the firefighters use. We were proud of the enthusiasm and participation shown in Year 5 - well done!

Science- Unbalanced Forces

In Science this week, we are learning about unbalanced forces, in particular air resistance and gravity. We worked in teams to create wind powered pulley systems and tested different weights to see how the weight of the object impacted the force of gravity and the amount of wind required for the pulley system to be effective.

PE - Rounders

In PE this week, Kites and Falcons got out in the sunshine to play rounders on the field! We are learning about different positions and how to work together in teams to support and encourage each other. We have been so proud to see our bowlers developing their accuracy and aim when underarm throwing. We are learning about communicating to teammates about whether it is a good opportunity to run to the next base or not, as it can be tricky to run while tracking the ball.

Shout outs- Kites

This week's shout out goes to Leila for being an absolute superstar! Leila tries her best every single day and it is such a joy to see your confidence growing every day. You are such a kind and helpful member of the class and we will miss you!

Another shout out goes to Noah for his fantastic effort in all lessons! Noah has made huge improvements in his handwriting and presentation. He is so determined to complete all his work to such a high standard - well done Noah!

Shout outs- Falcons

This week's shout out goes to Ayaz for his fabulous work in English, his presentation has been beautiful and his use of ambitious vocabulary has been really effective. Well done you Ayaz!

Another shout out goes to Lacie who has made incredible progress in English and is constantly aspiring to improve her work and try her best. Thank you for all your hard work Lacie!

Ask us about...

Which buildings in York are famous for their rich Tudor history?

Year 6

Science: Blood and the Circulatory System

This week, we have been learning about the human circulatory system and blood. By going on the journey of a blood cell around the body, we have been able to explain why the blood goes through the heart twice, understand that veins take blood into the heart while arteries take the blood out and identify where oxygenated and deoxygenated blood can be located. After this, we have been able to create our very own blood model: mixing together oil to represent plasma, red food colouring to demonstrate red blood cells and marshmallows to hold the place of white blood cells!

Polling Day PE: Cricket and Rounders

What a treat for Year 6! After all of their hard work over the last few weeks, they thoroughly enjoyed their sports afternoon involving both cricket and rounders. Children were able to showcase their cricketing skills: discussing bowling and fielding techniques whilst working collaboratively as a team. The cricket coach was incredibly proud of their determination and their sportsmanship.

Shout out

This week, we would like to give a massive shout out to the whole of Year 6! Over the last few weeks, you have all shown such incredible determination and resilience whilst preparing for your upcoming SATs. We are so incredibly proud of all of the progress you have made so far and cannot wait to see what you are capable of achieving during the few weeks that we have left.

Ask us about...

In science, we have been learning about circulation and blood. Did you know that mammals have red blood as a result of iron being a component? Other animals (like octopi and spiders for example) differ and have blue blood because it contains copper! Ask us about it!

Diary Dates

Mon 6th May	Bank Holiday - School Closed
Tue 7th May	School reopens after Bank Holiday Year 2 Trip to Harlow Carr
Mon 13th to Thurs 16th May	Year 6 SATs week
Friday 24 th May	Year 6 Trip to York St John University
Mon 27th to Fri 31st May	Half term
Mon 3rd June	Back to school

Woodthorpe wrap-around care

We are delighted to be able to offer full wraparound support for our families. This starts from 7.50am and continues until 5:45pm daily. Our offer includes care for all of our children, from nursery to year 6. *Nursery pupils must book wraparound care sessions through the nursery as, due to the childcare funding, they receive, the charges are different.*

Breakfast Club: (7.50-8.50am) **£4.20/session £3.15/siblings.** Children have a wide range of breakfasts and also have the chance to play games with their friends or take part in a morning physical activity to really help wake them up.

After School Club (3.15-5.45pm) **£8.20/session £7.18/sibling.** At after school club, children start the session by having a snack and completing a 'circle' activity. From this, pupils then have the option to complete activities with their friends, take part in physical activities or relax with a book or film.

If you are interested in our wrap-around care options, please pop into the office and ask for our wraparound care administrator, Caroline Young.

Childminders

Within our local area there is also a number of Ofsted registered childminders, a full list of these are available via the YorOK website: <http://www.yor-ok.org.uk/families/Childcare/childcare.htm>

The school also holds an up-to-date list of local childminders who are able to offer 15 and 30 hours care, please contact the school directly for this information.

Support Via the Pupil Premium

Given the difficult times and changes to people's circumstances. If you feel that you might be eligible to claim 'Pupil Premium' for your child, we will be able to support you with items such as school uniform, breakfast club and daily school meals etc... Please email our school office (admin@woodthorpe.southbank.academy) or call in person to discuss 01904 806464. **You will need to currently be in receipt of one of the following:**

- Universal Credit, (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Child Tax Credit, provided you are also not entitled to Working Tax Credit and have an annual household gross income that does not exceed £16,190 (as assessed by HMRC)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit

A run-on of Working Tax Credit – paid for 4 weeks after you stop qualifying for Working Tax Credit

Digital Parenting

As a school, we are always keen to promote online safety and would like to share [this useful website](#) – where you can access the latest copy of the Digital Parenting magazine and many other additional resources regarding internet safety.

For further information support and copies of our own Woodthorpe digital newsletter, please do not hesitate to contact our school office.

Ducklings Nursery at Woodthorpe Primary School

Now accepting pupils for September 2024 and beyond

Our fully qualified and highly experienced Nursery team are welcoming 3 and 4 year olds to Ducklings. Our inspiring and nurturing environment provides hands-on immersive experiences for your child, using the natural environment to promote exploration and independence, helping your child become school ready.

We accept both 15 and 30 hour funding and provide wraparound care. Parents are also able to pay for additional sessions that are not funded at a rate of £4.20 an hour. You can also use the Government tax free scheme to pay for your sessions.

Please visit www.woodthorpeprimaryschool.co.uk/ducklings-nursery to apply for a place, or pick up an application pack from the school office. You can also email us at ducklings@woodthorpe.southbank.academy

AT ENERGISE LEISURE CENTRE(YORK HIGH SCHOOL)

CORNLANDS ROAD, ACOMB, YORK, YO24 3DX

STARTING WEDNESDAY 10TH APRIL 2024

(NEW PLAYERS CAN JOIN AT ANYTIME DURING THE YEAR(PROVIDING PLACES ARE AVAILABLE))

Group 1	5:30pm – 6:30pm	Ages 4 – 6
Group 2	6:30pm – 7:30pm	Ages 7 – 8
Group 3	7:30pm – 8:30pm	Ages 9 - 12

Dear Parents,

I am delighted to inform you that following the success of previous year's courses we are expanding the football coaching programme for the season. The course will run on a weekly basis **EVERY WEDNESDAY** during school term times.

All of our courses are run by F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL PLAYERS. All of our coaches have been DBS/CRB police checked. The course is open to boys and girls aged between 4 and 12 All abilities are catered for with total beginners introduced through fun and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term(usually 10-15 weeks) every child will receive a merit trophy and course certificate, with chances to win extra trophies including penalty shoot out, american shoot out and champions league competitions.

The cost of the course is £7.50 per week, which is payable every four weeks (£30) with the first payment due on week one. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. **We have the use of excellent facilities including the large indoor sports hall.**

**TO BOOK A PLACE ON TO THE COURSE PLEASE TEXT
'YORK' + CHILD'S NAME & AGE + GROUP(1/2/3/4) TO;
07846 770 250 Steven Nugent (Course Co-ordinator)**

Junior gardener of the year

The garden competition is a little different this summer.
Centre stage will be the younger generation.

- Prize for best container planted and cared for by anyone under the age of 18 years.
 - The container can be any size. It can contain flowers, vegetables or a mix of both
 - The container must be located in Foxwood. Those entering do not have to live in Foxwood but must have a connection to the area e.g. Be grandchildren of a local
 - There will be two categories - Under 11 & over 11. Judging takes place in July. Prizes to a value of £100 will be awarded.
 - More information on our Facebook page. Let us know via Email if you want to take part
Foxwoodra@btinternet.com
- ✓ Each month we'll provide a concise guide on our Facebook page, to the tasks needed to establish a good display in a container
 - ✓ There is a spare flower bed at the Foxwood Community centre which you can "adopt" if you don't have space at home. Just drop in to the Saturday morning gardening sessions in the Centre garden . There is always something to do even if you don't want to enter the competition.

The competition is sponsored by Indigo Greens estate agents and the Foxwood Residents Association

Indigo
Greens 

Parking on the School Keep Clear markings and other yellow lines around schools is **inconsiderate and dangerous**

Parking here **endangers** the safety of all children that attend the school

These markings are there to help children **see and be seen**

Children should never have to cross between parked cars outside of their school

By stopping here you are **committing an offence** and you could get a parking ticket or fine

Crafty Fox Kids

[OSCARSPTC.ORG/INFLATABLE-2024](https://oscarspbt.org/inflatables-2024)

Dear Parent/Carers,

We are delighted to announce the launch of two new websites www.raiseyork.co.uk and www.yorksend.org. They have been created with children and young people, parents, carers and professionals to make it quicker and easier for local families to get the information they need about local services and community support.

The **Raise York** site is part of the city's new network of Family Hubs; a project funded by the Department for Education to bring together organisations supporting children and families in a 'one stop shop'. A network of people, places and online support from pregnancy through to adulthood (age 19 years, or 25 years for people with Special Educational Needs and Disabilities), the aim is to make it easier to get advice, help and support on a wide range of topics including infant feeding, mental health support, health visits and parenting classes.

In partnership with Raise, York SEND Local Offer (yorksend.org) is also being relaunched onto its own site. The new website provides a dedicated resource for young people with Special Educational Needs and Disabilities, their families and the professionals working with them.

The York SEND Local Offer sets out services and activities available to children and young people with Special Educational Needs and Disabilities; support is available from birth to 25 years old. Our website provides helpful information for families at every stage of their journey, whether this is to learn about what Special Educational Needs are, to find out about the support available with or without a diagnosis, or to understand what preparation for adulthood looks like for young people with disabilities, the website covers all.

Take a look at both websites:

www.yorksend.org

www.raiseyork.co.uk

If you have any questions, please email yorklocalofferSEND@york.gov.uk
